10 CENTRAL DIVISION

11 GONZALO MENDEZ, et al., :
12 Plaintiffs, :
13 vs :
14 WESTMINSTER SCHOOL DISTRICT :
15 OF ORANGE COUNTY, et al., :
16 Defendants. :

No. 4292-M

RESPONDENTS OBJECTIONS TO FINDINGS
OF FACT AND CONCLUSIONS OF LAW

17
18 Respondents object to the Findings of Fact for the following
19 reasons:

20 I.

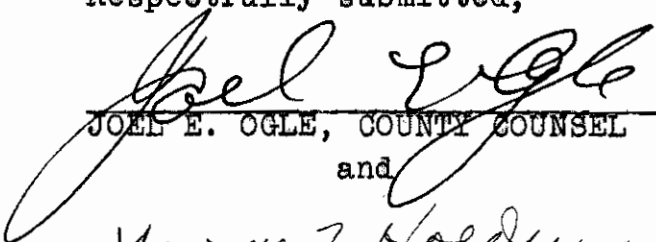

21 That the said Findings of Fact entirely omit to find upon the
22 question of equal facilities furnished in the separate schools in the
23 several Districts. In our opinion, such a finding of fact is essential
24 as pertaining to the question of jurisdiction of this Court. The un-
25 contradicted evidence shows that the facilities provided in each of the
26 schools are identical. We therefore request that an additional finding
27 be made, and that such finding be in substance the finding made by the
28 Court in its conclusions, filed on February 18, 1946, on page 5 thereof,
29 which reads as follows:

30 "The record before us shows without conflict
31 that the technical facilities and physical con-
32 veniences offered in the schools housing entirely
the segregated pupils, the efficiency of the

1 teachers therein and the curricula are identical
2 and in some respects superior to those in the
3 other schools in the respective districts."

5 DATED: March 25, 1946.

Respectfully submitted,
